

Javier Nicolas Nieto

Electronic Engineer

+61 458 319 336 | javiernieto.ni@gmail.com | Melbourne, VIC 3000 | linkedin.com/in/javinnieto/

PROFESSIONAL PROFILE

Electronic Engineer (Honours) based in Melbourne on a Working Holiday Visa, with strong analytical skills and a solid background in data processing, Python programming, and technical problem-solving. Proven ability to collect, organize, and analyze complex datasets to support decision-making and project development.

EDUCATION

- Bachelor of Electronic Engineering (Honours) | National Technological University | Córdoba, Argentina | Graduated: 2025

PROFESSIONAL EXPERIENCE

Backend Developer

AVEIT | Córdoba, Argentina | January - December 2024

- Collected, organized, and analyzed data from different sources using MySQL and Django to support business decisions.
- Performed data cleaning, validation, and preparation to improve data accuracy across a comprehensive management system.
- Maintained documentation for reports, metrics, and analytical processes to optimize workflows.

Technical Team Coordinator

Technology Cluster | La Rioja, Argentina | April 2025 – June 2026

- Managed data acquisition pipelines for advanced robotic systems, translating raw data into meaningful insights.
- Built reports and visualizations to communicate analytical findings and project progress clearly.
- Supported the improvement of analytical processes, workflows, and data quality standards within the technical team.

Electronic Engineering Final Project

National Technological University (UTN) | Córdoba, Argentina | August – December 2024

- Engineered data collection models using communication protocols for telemetry and ground station systems.
- Executed data validation and preparation from sensor inputs to ensure system accuracy.
- Documented experimental procedures, metrics, and analytical findings thoroughly.

TECHNICAL SKILLS

- Programming & Data Analysis: Python, C++, SQL, Matlab.
- Tools & Visualization: Excel, Git, Linux, Backend with Django.
- Communication & Documentation: Strong attention to detail, technical documentation, problem-solving approaches.

LANGUAGES

- Spanish: Native.
- English: Advanced (IELTS Overall Band Score: 7 [C1]).
