

Javier Nicolas Nieto

Electronic Engineer

+61 458 319 336 | javiernieto.ni@gmail.com | Melbourne, VIC 3000 | linkedin.com/in/javinnieto/

PROFESSIONAL PROFILE

Electronic Engineer (Honours) based in Melbourne, bringing a strong foundation in hardware, software, and technical troubleshooting. Eager to kick-start a career in IT Support, offering excellent communication skills, a proactive attitude, and hands-on experience in managing hardware and system configurations.

EDUCATION

- Bachelor of Electronic Engineering (Honours) | National Technological University | Córdoba, Argentina | Graduated: 2025

PROFESSIONAL EXPERIENCE

Technical Team Coordinator

Technology Cluster | La Rioja, Argentina | April 2025 – June 2026

- Provided technical support and troubleshooting for hardware and software systems across various engineering projects.
- Managed user onboarding, technical training programs, and maintained operational documentation.
- Collaborated within a team environment to resolve complex technical issues and optimize internal workflows.

Backend Developer

AVEIT | Córdoba, Argentina | January - December 2024

- Maintained and optimized complex software architectures and integrated management systems.
- Handled user account administration and provided ongoing technical support for system modules.
- Onboarded and trained new team members on tech stacks, ensuring smooth workflow alignment.

Supervised Professional Internship

National Technological University (UTN) | Córdoba, Argentina | July – December 2023

- Constructed control hardware, performed PCB prototyping, and maintained system hardware components.
- Implemented sensor communication systems and troubleshoot technical issues in a hands-on environment.
- Documented technical procedures and assisted with hardware-software integration.

TECHNICAL SKILLS

- Technical Support & Operating Systems: Windows, Linux, Hardware Troubleshooting, System Administration.
- Programming & Tools: C++, Python, Git, TeamViewer, IT Documentation.
- Hardware & Communication: Microcontrollers, PCB Design (KiCad), UART, SPI, I2C.

LANGUAGES

- Spanish: Native.
- English: Advanced (IELTS Overall Band Score: 7 [C1]).
