

Javier Nicolas Nieto

Electronic Engineer

+61 458 319 336 | javiernieto.ni@gmail.com | Melbourne, VIC 3000 | linkedin.com/in/javinnieto/

PROFESSIONAL PROFILE

Electronic Engineer (Honours) based in Melbourne with strong analytical skills, Python programming proficiency, and a proven ability to process datasets, interpret metrics, and support data-driven decision-making.

EDUCATION

- Bachelor of Electronic Engineering (Honours) | National Technological University | Córdoba, Argentina | Graduated: 2025

PROFESSIONAL EXPERIENCE

Backend Developer

AVEIT | Córdoba, Argentina | January - December 2024

- Analyzed and processed complex datasets using MySQL to maintain and optimize management systems.
- Developed backend architectures and monitored key data metrics to improve system performance and workflow alignment.
- Collaborated with cross-functional teams to understand analytical needs and deliver actionable insights through data reporting.

Technical Team Coordinator

Technology Cluster | La Rioja, Argentina | April 2025 – June 2026

- Utilized data acquisition and computer vision techniques to gather, clean, and analyze datasets for AI-driven projects.
- Developed reports and structured data processes to support advanced robotic systems.
- Maintained clear documentation for project metrics, procedures, and data workflows.

Electronic Engineering Final Project

National Technological University (UTN) | Córdoba, Argentina | August – December 2024

- Processed and validated high-frequency sensor data using I2C and SPI communication protocols.
- Engineered functional data models and documented experimental procedures for communication payloads.
- Applied problem-solving mindset and analytical methods to interpret data from hardware systems.

TECHNICAL SKILLS

- Programming: Python, C++, Matlab, HTML/CSS.
- Data & Analytics: Data Analysis, Reporting, Data Modeling, SQL, Excel, Visualization.
- Tools & Environment: GIT, Linux, SolidWorks, KiCad.

LANGUAGES

- Spanish: Native.
- English: Advanced (IELTS Overall Band Score: 7 [C1]).
